Be cautious, particularly with links and attachments.

Kate,

Due to an unexpected confluence of issues, we respectfully request a one-week extension of this Friday's deadlines (class cert reply; Daubert opposition; and Haider Daubert, if any). Would CDK consent to this modest extension? We would appreciate it. Dealership Plaintiffs do not oppose vendors' request, and if the due dates change for the vendors, the dealers seek the same due dates.

Vendors also request 25 pages for their class cert reply. Given that CDK agreed to this number of pages for the Dealers (who ultimately got 30 pages from the Court), we hope this is a reasonable request that CDK will agree to without the need for Court intervention.

If you could let us know CDK's position on these matters today, we'd appreciate it. If CDK agrees, we will prepare a stipulation.

Best regards, Josh.
